SPECIAL STUDY OFFERING

Alpha

Alpha is an opportunity to explore the Christian faith in a relaxed setting over ten weeks. It includes thought provoking weekly sessions with a day or weekend away. Each session offers participants the opportunity to enjoy good food, laughter and learning. No question about life or God is seen as too simple or too hostile. Explore questions such as, Is there a God? Why am I here? Where did I come from? Where am I going? Is there really an afterlife?

Alpha is for everyone, people from all backgrounds, religions and viewpoints. Many who come may never have been to church; others may attend church but feel they really don't have an understanding of the basics of faith.

Briarcliff will host Alpha beginning September 8th. The gathering will be held in Old Fellowship Hall (Lower Level Education Building) from 6-8 pm. Everyone is welcome. Invite your friends and neighbors and those you meet in the community. We all have questions. Don't you want answers?

ADULT CHRISTIAN EDUCATION AT BRIARCLIFF

SUNDAY MORNING 9:30 AM

To help us grow in faith, Briarcliff offers a variety of educational opportunities.

The following are ongoing Sunday School classes that meet on Sunday mornings along with their current study information and their meeting rooms:

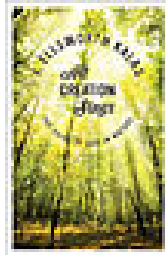

KOINONIA CLASS

Age Group: Senior Adults

Location: Room 113,
2nd Fl. Education Building

What We're Studying:

*All Creation Sings,
The Voice of God in Nature*

Description: Almost anywhere we go, nature's voice is now muted by the sound of traffic and assorted electronic devices. Those who go out to walk or jog are likely to wear a device that keeps them in touch with news or music or speech—so that, intentionally or not, they have shut out nature's sound and dulled its influence. This little book helps us return to the wonders of nature & God's wondrous creation.

NEW SPIRIT CLASS

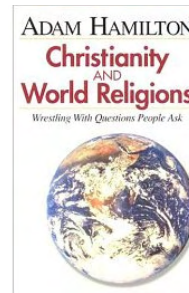

Age Group: Young Adults

Location: Room 13,
1st Floor Education Building

What We're Studying:

Christianity & World Religions

Description: This study is a video-based small-group study and outreach program that explores four major world religions- Hinduism, Buddhism, Islam, and Judaism, and compares the beliefs of each with those of Christianity. The study deals openly and honestly with questions people ask about other religions. In examining these major world religions and the beliefs of their followers, Christians are urged to build bridges with others so that we might grow in our faith, seek peace in our world, love our neighbor, and find positive ways to share the gospel.
